

FoodContainer::FoodContainer

```
graph LR; A[FoodContainer::FoodContainer] --> B[Food::get_type]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'FoodContainer::FoodContainer'. The right box is gray with a black border and contains the text 'Food::get\_type'. A blue arrow points from the right side of the left box to the left side of the right box.

Food::get\_type
